

# Unit 2 – Living things

1) Write the name of the five kingdoms:

|                   |                                                                                      |
|-------------------|--------------------------------------------------------------------------------------|
| The five kingdoms |    |
|                   |   |
|                   |    |
|                   |  |
|                   |   |

2) Complete the missing words in these tables about the five kingdoms:

|                                             |                       |                                     |
|---------------------------------------------|-----------------------|-------------------------------------|
| <b>ANIMALS</b>                              |                       |                                     |
| Vertebrates or<br>_____                     | Oviparous or<br>_____ | Terrestrial, aquatic<br>or<br>_____ |
| They can be carnivores, herbivores or _____ |                       |                                     |
| They breath _____                           |                       |                                     |

## PLANTS

Parts:

Roots

\_\_\_\_\_

\_\_\_\_\_

Flower

Fruit

They need:

\_\_\_\_\_, sunlight and \_\_\_\_\_

They make their food in the \_\_\_\_\_

## ALGAE

They are \_\_\_\_\_

They make their \_\_\_\_\_

## FUNGI

Types:

\_\_\_\_\_  
(champiñones)

\_\_\_\_\_  
(levadura)

\_\_\_\_\_  
(moho)

## BACTERIAS

They are \_\_\_\_\_
