11-16 You are not at all tech-savvy. That's fine, but be careful not to get left behind! There are lots of ways in which computers and smartphones can make life easier.

17-22 You have a basic knowledge of computer technology, but you'd probably rather make a phone call than send a text, meet face-to-face than chat online, and read a paper book than use an e-reader.

23-33 You understand technology and are pretty good at using it. You probably aren't the first to hear about new gadgets, apps and websites, but you are willing and quick to learn.

34-44 You are plugged in – a real computer geek! You can handle any gadget or software. That's fantastic, but make sure there's lots of personal contact with friends and family in your life too.
