When big companies are going to make an advert, they use four things to make us buy.

- 1 For cereals and children's food, they create a cartoon ¹**character** / **person**.
 love them. When children see them, they to buy!
- 2 For important like trainers, coffee and perfume, they choose ²**famous** / **well-known** actors or sports people. We like to the things that these people use.
- 3 Companies use other ³**tools** / **tunes** for selling, too. Things we can read or hear. For example, they ⁴**slogans** / **advertisements**. They're catchy phrases we can't forget when we think about a product.
- 4 Companies also use clever images with ⁵**bright** / **attractive** colours and interesting photos. Exciting help sell products because they our ⁶**eye** / **nose** and make us think about the product.

Look  Read and write.

buy cereal forget images

- 1 Cartoons help sell _____ to children.
- 2 We like to _____ the products sports people use.
- 3 When a slogan is good, we can't _____ the words.
- 4 Clever _____ on billboards help sell products.

Look at the advert. Read and circle **T** for true and **F** for false.

I love 123 juice because it tastes delicious. Miss Lulu drinks it. She's my favourite singer. All my friends like it. We drink it together at parties and school. We always sing the song:
1, 2, 3, Drink with me. 1, 2, 3, Drink with me.
It's got a great tune!
