

Tahun 0 Tahun 1 Tahun 2 Tahun 3 Tahun 4

The diagram illustrates a sequence of three addition problems. Each problem is represented by three empty rectangular boxes for numbers, with a plus sign (+) to the right of the middle box. A horizontal line is drawn below the bottom box of each problem. Arrows indicate the flow from the first problem to the second, and from the second to the third.

$$\boxed{} + \frac{\boxed{}}{\boxed{}} = \frac{}{}$$
