Olenka: Hi, Mary. Are you **busy** now? Can we talk?

Mary: Sorry, I have no time. I'm helping my mum.

Olenka: What are you doing, Mary?

Mary: I'm laying the table for dinner. Our grandparents are coming to our house tonight.

Olenka: Why is your mum not laying the table?

Mary: She is ironing a shirt for Dad. And Bill is mopping the floor in his bedroom.

Olenka: What about your dad? Is he watching TV?

Mary: No, he isn't. He is cooking meat. He can cook meat very well.

Olenka: Oh, you're all busy! Sorry!
