

AROUND THE WORLD IN 80 DAYS – SUMMARY

Phileas Fogg is an English gentleman who spends his days playing whist, a card game. He lives in **London**. Fogg has no wife and no children.

Fogg follows a strict routine every day:

He has breakfast at 8:23 a.m.

He has a shower at 9:37 a.m.

He leaves the house at 11:30 a.m.

He goes home at 12:00 in the night.

Passepartout is Fogg's helper. Passepartout always go with Fogg, everywhere.

Fogg is very organized and structured; he looks like a machine.

Fogg thinks that it is now very easy to travel the world in 80 days thanks to means of transportation. He decided to travel around the world.
