

Video: Assumptions we make about one another - <https://youtu.be/iDcWB3seS0w>

Note: Our perspective often leads us to make assumptions about other people.

**Learn/ review** the vocabulary. **Watch** the video & **take notes** in the chart – what does the child assume about his/her partner?

vocabulary:

to assume	assumption, to make an assumption	to think
to guess	to predict	correct, incorrect
		correctly, incorrectly

**Discuss** the questions with a partner, your group, or your whole class:

- How accurate are the guesses about the other child?
- What do you think makes the child assume (guess) what they do?
- How do the children react to each other when they SEE each other?
- How do the children react to being correct in their assumption? Incorrect?
