My favourite TV programme

There are different TV programmes that you can watch on TV. I sometimes watch news, cartoons, films, sports programmes, comedy series, soap operas or quiz shows, but most of all, I like cartoons.

I like watching cartoons because they are fun. My favourite cartoon is ***Garfield.*** It is on at 7.30 in the morning. It is about a funny cat who likes eating and watching TV. He has many adventures. I watch it every morning with my little brother. We laugh a lot.

I enjoy watching my favourite cartoon on TV. It is so funny and interesting too.
