

Group 3.

Snow starts falling. The lake is frozen. In the distance the Ugly Duckling can see a farmhouse. There are bright lights and loud voices. "I wish I liked over there," he thinks to himself. But he knows they will only laugh at him. So he goes out onto the frozen lake. His big feet make wonderful skates. The Ugly Duckling skates on the ice for hours. He has by himself.

The ice melts. Spring has come! The other birds start to come back to the lake. The water is full of wild ducks and geese. They are glad to be together again.

The Ugly Duckling hides. He waits for someone to notice him, but everyone is busy. This is a big lake with blue water. There are five yellow ducklings with their white Mother Duck on the water. They are swimming. They are happy. There is a big grey and strange bird near the lake. He is not happy. There is a nice pink butterfly over the water. There is the yellow sun in the blue sky. It's a warm summer day.
