

Watch the video about human-like robots. Are these sentences true or false? Correct false sentences.

When you complete the task, take a screenshot and send it to Vlada, please. She will check it.

You don't have to watch the video till the end. You can stop at 5:27.

Enjoy! :)

1 The robots from the video were created in the USA.

2 Robot Alex looks like a human and can talk to people, but he isn't able to express emotions.

3 Alex' appearance can be changed.

4 The team who created Alex started the project 6 years ago.

5 The cyber cafe where robot Dana works is located somewhere in Russia.

6 Dana can't talk to customers.

7 Service time per customer is 5 to 10 minute.

8 The cafe isn't very popular among customers.
