6 Przeczytaj tekst Tima. Oznacz zdania jako prawdziwe (✓) lub fałszywe (x).

There are many beautiful places to visit in my country. My favourite places are near the coast. I live in a big city, and it's the furthest place from the coast in the country! When I go on holiday, I usually go swimming. My friends often hire a boat and go fishing, but I prefer to be in the water. I don't need a sandy beach. It's more interesting to swim near the cliffs, because there aren't many people there, and you can see some beautiful fish. The rocks can be a bit dangerous, though. The only thing that I'd like to have on holiday is hotter weather, but there are other things that are more important to me.
