

The City and The Countryside

Hi! My name's Jenny. I'm 14 years old. I live in a big city in England called Liverpool. I think life in a big city is fantastic. I always have lots of things to do and there are lots of places to visit. I like going to the theatre or cinema and visiting museums. I love pop music and there are usually pop concerts in the city. We go to concerts with my friends.

I love Chinese food and I often go to a Chinese restaurant with my parents. One thing I don't like about the city is the traffic. There are always lots of cars and buses in Liverpool and it is sometimes difficult to move around in the streets.

My best friend Daniel lives in a small village. Daniel thinks life in the countryside is very nice. There's no traffic. People can work outdoors.

It is calm, silent and peaceful in the countryside. There's more oxygen in the air because there are a lot of trees around. You can see wonderful flowers everywhere. There is a beautiful lake and a wonderful forest near Daniel's village. He usually goes rowing in the lake.

Daniel often visits me. We do a lot of things together. We often go to the cinema or swim in a swimming pool.

I often visit Daniel too. Then we like walking in the forest or swimming in the lake.
