

Worksheet - Word order in questions with do/does

Put the words into the correct columns and form questions. Always use the auxiliary do or does.

How to work with the table

- All verbs are underlined (**sentence 1: like**), write these words into the column **Verbs**.
- Look for the subject of the sentence (**sentence 1: you**) and write it into the column **Subject**.
- Then write **do** or **does** into the column **Auxiliary** (use does with he - she - it; use do with I, you, we, they) (**sentence 1: do -> because of you**).
- Then write the question word into the first column (if there is none, write ---) (**sentence 1: no question word= blank**).
- Write all the remaining words into the column **Object - Place - Time** (**sentence 1: English**).
