APPLE SURPRISES

Ingredients	How much/many	Other things you need

This is a very tasty and easy dessert!

First, take and wash 5 apples. Then put an ice-cream stick into each of them.

Prepare 200 g of nuts in a bowl.

Take 300 g of chocolate and boil it for about 5 minutes until it is soft. Put the boiled chocolate into another bowl.

After that, put each apple with a stick into the chocolate, turn it around and then put it into the bowl with nuts. Leave it in the fridge for about 40 minutes. When it is done, have it with a cup of tea!

Delicious!
