

THANK YOU by Dido

My tea's gone _____, I'm wondering why
I got out of bed at all
The morning rain clouds up my _____
And I can't _____ at all
And even if I could, it'd all be grey
But your picture on my _____
It reminds me that it's not so bad
It's not so bad

I drank too much last night, got _____ to pay
My head just feels in pain
I missed the _____ and there'll be hell today
I'm late for work _____
And even if I'm there, they'll all imply
That I might not last the _____
And then you _____ me
And it's not so bad, it's not so bad

And I want to thank you
For giving me the best day of my _____
Oh, just to _____ with you
Is having the best day of my _____

Push the _____, I'm home at last
And I'm soaking through and through
Then you handed me a _____
And all I see is you
And even if my _____ falls down now
I wouldn't have a _____
Because you're near me

And I want to thank you
For giving me the best day of my _____
Oh, just to _____ with you
Is having the best day of my _____
And I want to thank you
For giving me the best day of my _____
Oh, just to be with you
Is having the best day of my _____
