

Helping Wild Animals

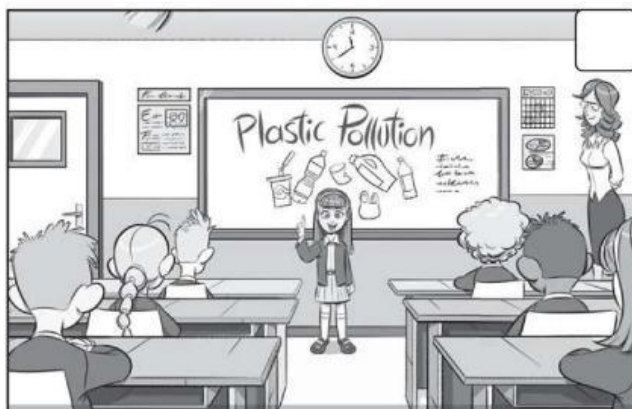

1 Look, read and number.

They organize a "Clean the beach day" and collect all of the plastic.

One day Anna visits the beach and sees a lot of plastic.

She tells her classmates and her teacher at school about the problem.

Now the beach is safe and clean for everyone.

2 Read and match.

Problem

People throw plastic on the beach.

Solution

The beach is clean and safe.

Result

They organize a "Clean the beach day."
