

- \_\_\_ 11. In the food we eat
- \_\_\_ 12. How the sun makes energy
- \_\_\_ 13. Makes the ice cream melt
- \_\_\_ 14. The leaping frog as he flies through the air
- \_\_\_ 15. The energy of a moving automobile
- \_\_\_ 16. Radio waves
- \_\_\_ 17. The type of energy in a compressed bow
- \_\_\_ 18. Visible light
- \_\_\_ 19. The type of energy that comes from the sun to the earth
- \_\_\_ 20. Is converted into electromagnetic energy by the light bulb
- a. Mechanical  
b. Thermal  
c. Nuclear  
d. Chemical potential  
e. Elastic  
f. Electromagnetic  
g. Electrical  
h. Gravitational Potential Energy
