Imagine

1) Write one word in each gap.

Imagine there's _____ _____
It _____ _____ to do
Nothing to _____ or _____ for
And no _____ _____
Imagine _____ _____
Living _____ in _____

2) Put the verses in order.

I hope someday you will join us
You may say I'm a dreamer
And the world will be as one
But I'm not the only one

3) Cross the extra word out or correct the wrong word.

Imagine there are no possessions.
I wonder if we could
There is no need for greed or hunger
A brotherhood of lords
Imagine there are all the people
Sharing all our world

(Chorus)
.
.
.
.

And the world will live as one
