ENGLISH PRACTICAL TEST 5

Text A : Fiction

The Shell

Once, there were three sisters called Charlotte, Claire and Catherine. Every day, they would travel to the beach by their house and collect shells. It was their favorite thing to do and they loved to look at them.

One day, they had just walked to the beach, when Claire spotted a beautiful, shiny yellow shell. She was very excited.

Catherine saw her sister pick up the shell. "What' s that, Claire?" she shouted. "Nothing!" Claire replied, hiding the shell in her pocket.

Soon, all three of the sisters were arguing about the shell. "Give it to us!" said Charlotte, grabbing it from Claire' s pocket.
