The dry season starts in J u r and ends in J n and the wet season goes from J l to D c b r. If you like hot weather and nice beaches, this is the perfect place for a vacation. It's never cold here. The temperatures in the rainy season are similar to the temperatures when it's sunny and dry. The only bad thing about our weather is the wind. Sometimes, it's very strong! Anyway, the best time to visit is during Carnival, in F b u y or M h! Our Carnival is famous. We dance to calypso or soca, our local music. You have to see it. It's just wonderful! E-mail me, please. I want to know more about you and your city.
