**C. Read three texts. Choose the correct answer (A-D).**

For some reason, I was never thrilled by the hobbies my family and friends attempted to interest me in. When I was younger, my mum and sisters tried to get me into scrapbooking, but I failed to see the point. My friends' passion for skateboarding and martial arts like karate didn't catch my interest either. My dad tried to get me involved in his body, model planes, but I didn't have the patience for it. Then my mum and I started chatting with a neighbour who grew rare plants. One tour of her green house, and I was hooked. Of course my friends were very surprised – and still are – but I am sure that plants will be a lifelong passion.

1 The writer suggests that

- A his friends don't understand his hobby.
- B he and his mother share the same interests.
- C he used to be interested in skateboarding.
- D he is keen on making things at home.
