IV. Read the following passage and do as direct. (17-22)

In the zoo, there are many fascinating animals. One of the most interesting is the giraffe. These tall creatures have long necks and spots on their fur. Did you know that giraffes are the tallest land animals in the world? They use their long necks to reach leaves on tall trees, which other animals can't reach. Giraffes are also very social animals and live in groups called towers. They communicate with each other by making low humming noises and head-butting. It's amazing to see these majestic animals up close and learn more about their unique characteristics. Make sure to visit the giraffes on your next trip to the zoo!

Câu 17. Giraffes have spots on their fur.

- A. True
