

## READING: organising information

To help you understand or remember important information, organise it into a table. Later, you can study the table to remember the information. This is faster than reading the article again.

**A** Read the article. Who doesn't like their job?

### Working from home

What kinds of jobs can  
you do at home?

Theresa Green

**Theresa Green:**

I have my own business. I design T-shirts and make them at home. Then I sell the T-shirts online. My children help me. I don't make a lot of money, but I like my job. It's easy, and it's fun. I work every day in the morning.

Daniel Gold

**Daniel Gold:**

I'm a virtual receptionist! I don't work in an office. I work at home. I answer the telephone and I write letters. I work from 9.00–5.00, from Monday to Friday. I don't like my job. It's easy, but it isn't interesting. And I live alone, so it's lonely!

Will Mitchell

**Will Mitchell:**

I don't have a job. But I work every day! I'm a stay-at-home dad. My wife works in an office. We have one son and two daughters. I work on Monday, Tuesday, Wednesday ... every day, in the morning, in the afternoon and in the evening. It's difficult, but I love my family, so I love my work. It's never boring!

**B** Read the information and complete the table. Write the jobs for Daniel and Will and put a tick (✓) or a cross (✗) in the boxes to answer the questions.

**C**  Work in pairs. Study the table in Exercise B. Then close your book and tell your partner everything you remember about one person.
