Last Sunday, my family and I went to the zoo. We arrived a bit early so we have to wait for the zoo to (6)..... at nine.

The first animal we saw was the gorilla. They were (7)..... bananas. After that we went to see the snakes. Some of them were small and (8)..... Behind some plants.

Next we saw the elephants. They looked so big and beautiful. We also went to see the Malayan tigers. The tigers were (9)..... while watching the zoo visitors passing by. Then we went and saw the monkeys, crocodiles, birds and other animals.

For lunch, we went to my favourite restaurant, Family Mart. It had been a fantastic trip.

6. (a) clear (b) open (c) register (d) wide
7. (a) drinking (b) eating (c) playing (d) jumping
8. (a) hid (b) covered (c) prevented (d) protected
9. (a) sleeping (b) napping (c) dreaming (d) resting

The first step to a healthy lifestyle is to have a balanced diet. We should eat more fruit and vegetables. They provide us with vitamins. Fish, meat and chicken are also good. We must also exercise regularly. Exercising increases our stamina and improves our health. Our body will become stronger too. We need eight hours of sleep every night. If not, we might easily fall sick. So we should never go to bed late. Lastly, we must avoid eating junk food like sweets and crisps. We must also remember to drink eight glasses of water every day.

10. What is the first step to a healthy lifestyle?

- a. A balanced diet
- b. Exercise
