My name is Mason, and I think video games are better than sports. I play them every day!

I usually get up (1) at six o'clock (2) the morning (3) weekdays, and play on my computer for an hour before breakfast. When I'm at school, I play games on my phone (4) lunchtime. I like school, but we have to play real sports (5) Fridays – and I hate that!

When I get home (6) the afternoon, I go to my room and play more video games. I stop playing (7) the evening to do my homework. That's usually very easy.

(8) the weekend I have lots of time to play. And sometimes (9) the summer I play all day! My parents don't mind because I do well at school. (10) my birthday, they never have a problem buying me presents because I'm always happy to get a new video game!
