

THE CLUB ANTHEMS

VOL. 03

I _____ the time the time that we had
I _____ the things that used to make you mad
And I wish I _____ turn back the time
And I wish I wouldn't _____ every night
I _____ the time

_____ always ticking' that's no question
I did you wrong, I must confess not my intention
When I mention your _____, the pain
I feel ashamed
If I could, I would,
it's only me _____ I can blame
My time was on, I had to move no substitution
I _____ the risk although no conclusion
Lack of peace of mind to go the same direction
Time is never personal,
you win or _____ relationships
That's the way how it goes
Deeply hurt from your head to your toes
Slow mo' see you dragging down the hole
You should be where you belong in the front row
I cried everyday improved my _____
You _____ see what I see
Tell me why are you in anger
Forgive your _____ let the Lord be your savior
In God I will trust 'cause I know he will remember

I _____ the time the time that we had
I _____ the things that used to make you mad
And I wish I _____ turn back the time
And I wish I wouldn't _____ every night
I _____ the time

Join me on a ride what's the clue explanation
Talk about the time you and me let's go fishing'
Brainstorm' I bring the vibes
Shut your _____ better _____
Fighting everyday still don't know the definition
Time is _____ and time will tell
Sunshine in heaven or grill in _____
Society makes the pace join the race and obey
One for the money and two the space three hooray
I wanna thank G.O.D. the inventor
Kept at least an _____ on me and put me in the center
I remember 1996 in December
Booya is the name and nana is a member
I cried everyday re-arranged my _____
You _____ see what I see tell why are you in anger
Forgive your _____ let the Lord be your saviour
Finally he'll put you through 'cause he will
remember

I _____ the time the time that we had
I _____ the things that used to make you mad
And I wish I _____ turn back the time
And I wish I wouldn't _____ every night
I _____ the time
