

Paul is listening at the door. He can hear Mrs. Question and Mr. Answer. Mrs. Question asks questions and Mr. Answer gives answers. Paul can hear Mr. Answer's answers very well, but he cannot hear Mrs. Question's questions very well. Paul opens his exercise book and writes down the dialogue, but he needs your help with the questions.

Paul poslouchá u dveří a slyší paní Otázkovou a pana Odpověď. Paní Otázková se ptá na otázky a pan Odpověď jí odpovídá. Paul dobře slyší odpovědi pana Odpovědi, ale otázky paní Otázkové moc dobře neslyší. Otevře si sešit a přepíše jejich rozhovor, ale potřebuje tvou pomoc s těmi otázkami.
