Be a film star!

Are you aged between eighteen and twenty-five? Do you live in London? Do you want to be in a film? We are ¹..... for extras for an exciting film project. Extras are people who appear in a film but don't say anything.

Our film takes place in London in the 1800s. Use your acting skills and be part of the drama. We pay £100 a day and £150 when you work ²..... night. Breakfast and lunch are included.

Extras are very important because ³..... make our films more real. They usually wear costumes and make-up, just like the stars of the film. Our extras need to get ⁴..... early – we begin filming at nine o'clock every morning so extras need to arrive at seven thirty. We ⁵..... work long days when we have to complete a scene, but we also have a lot of fun. Remember, you might see yourself on the big screen when the film is finished!

We can't tell ⁶..... the name or subject of the film, but we can say that three famous actors are making it with us. Join us and learn all about film-making from real artists – and you never know, in the future, you might be the star! Fill in an application form today.
