Task 2: Read the text and answer the questions.

My city in the past and now

Firstly, in the past, there were small houses, buildings and hotels but now there are a lot of big houses and tall towers. Secondly, there weren't electric motorbikes, planes, trains,...in the past, people used to ride bikes and horses, but now there are a lot of means of transportations. Thirdly, Because today's life has become modernized, people have many ways to entertain themselves such as electronic devices, amusement parks, cafes, supermarkets, etc. People in the past only played folk games. Finally, the quality of life in the past was simple and had a normal life, but now people's lives are more complicated than they were in the past because people's quality of life is rising.
