II. Read the paragraph and answer the following sentences.

Nowadays, leisure activities are totally different from the past. Many people no longer enjoy participating in outdoor activities after school. Instead, they fancy playing computer games or surfing the web in their free time. Some people rely too much on computer and the Internet. For example, they prefer sending messages to having a face-to-face conversation with friends. Even when people hang out with their friends, they rarely talk but they use their phones to surf web. However, many people dislike the Internet and the virtual world. They hate to waste time on the computer and enjoy other activities such as reading, shopping or sporting.
