Conversation

Will: Have you heard the Trash's new album yet?

Eve: Actually, I went to their concert last week.

Will: You got a ticket? You're lucky! What was it like?

Eve: It was awesome! They played some of their old hits. And Sludge, the singer, sang tracks from their latest album.

Will: What about special effects?

Eve: That was the best part. They had an enormous screen with 3D images and giant holographic replicas of the group. I haven't seen anything like it before.

Will: Were there many people there?

Eve: Too many. I could hardly move. By the way, have you listened to the new Trash album yet? It has some of the songs that they played at the concert.

Will: Yes. I have already downloaded some of the songs. The album is awesome. It's even better than their last one!
