## D. READING

**Read the passage and choose the correct answer for each question.**

If you are the type of person who loves to meet many different people from different cultures and social status, then the city is better for you. The city is where people from all different background and status come to work and live because everything so centralized in the city. The city's population is also more concentrated, so you also have a higher chance of meeting people. In the country, the distance between other people is harder, so it is less convenient to meet other people. Hence, if you want a busy social life, the city is better.

If you have asthma or you are really sensitive to population, then the country lifestyle is best for you. In the country there is much less population because there are fewer cars, traffic and industrial **plants** in the country. There are also more trees, rivers and other natural scenery. If you want your kids to run around in open safe environments, then the country is also much better.

39. You should live in the city if \_\_\_\_\_.

- A. you have asthma
- B. you have problems with breathing diseases
- C. you want to meet people from different social status
- D. you want your children to run around in open environments

40. The country life is better for you if \_\_\_\_\_.

- A. you love to meet people from different cultures
- B. you want a busy social life
- C. you would like to work for international companies
- D. you are really sensitive to pollution

41. There is much less pollution in the country than in the city because \_\_\_\_\_.

- A. everything is so centralized in the city
- B. there are not as many cars in the country as in the city
- C. the distance between other people is harder

D. there are much more trees in the city

**42.** The word "**plants**" in the passage means

A. factories      B. trees      C. buildings      D. restaurants

### E. WRITING
