Welcome to my parents' place

Reading Practice!

1. Read the following paragraph.

It is a beautiful day at my parents place. Criss is here. Criss and I are friends. She is here to visit the house and meet my family. She also studies at the university. She's from France. Criss' sister's here too. She studies literature. She is a good writer and of course, a good reader too. Criss is an artist. She loves to dance and act. Criss' mom is not here. She's in France with her husband, Nick. I think Criss is 18 years old. Her sister, Camille is 22.

Oh, by the way, I think Criss likes my brother. Kevin is a good guy. A little freaky sometimes but a good person.

William is here too. He is my best friend. I love William like a brother. A big brother because he is 23 years old. And, he is not from Colombia. He's Canadian. He says he can teach me some French… some day.
