

PROVERBS EXERCISE

Look before you
leap.

United we stand,
divided we fall.

A stitch in time saves
nines.

Action speaks louder
than words.

A bird in hand is
worth two in the bush.

Cut your coat
according to your

Here are some of the proverbs that are used quite often. Read the meanings and drag the proverbs in the blue box to the grey box.

The meanings

- 1 Dealing with a problem immediately will save you extra work later.
- 2 It is what we do that matters, not what we say.
- 3 Buy things that you can afford.
- 4 It is better to accept something small than to reject it and hope to get something more later.
- 5 If we work together we can succeed. If we fight each other we will fail.
- 6 Always think carefully before you act.
