

I'm alone, but I feel alright	
In the summertime and the	Everyone I
In the spring, when the is dark	I know, I know, I know I'm leaning
Doesn't bother me at all	I'm leaning on
I know, I know it's in the light	It's hard I know, I know there isn't
The shadows to move	Much that you do
There's a hurt, in the wintertime	I know, I know, I know I'll make it
Makes it for you	I'llit through
There's a dream, a dream I had	In the wintertime, there's a candlelight
That makes meon the road	Iget from you
That the sun keeps running from
