I'm Hungry!

Hi, Mum, I'm home from school.
I'm really hungry now.
I'd like to make a burger,
Can you show me how?

I am home from my school day.
I'd like a sandwich. Is that OK?

Are there any onions?
Here are some on the shelf.
Is there any mustard?
I see it for myself.

Chorus

There's just one problem, Mum.
There isn't any lettuce!
But I've got a great idea:
Let's have cake instead!
