THE NEW MALL

Everyone in town is excited because there is going to be a new shopping mall in our town. It will have a lot of stores—clothing stores, electronics stores, jewelry stores, shoe stores, restaurants, and more. The mall will also have a department store that will sell just about everything. Best of all, the whole mall will be indoors, so even on cold days, it will be comfortable to shop there.

The mall will have a big parking lot. Parking can be quite difficult downtown, and it will be nice to drive to the mall without worrying about where to park. The bus will also stop there, so it should be easy to get to.

I love to shop, so I can't wait until I can visit our new mall!
