READ, LISTEN AND COMPLETE

Listen and complete the text about reality TV shows:

I don't get the point of reality 1. First of all, it isn't real, so I don't know why they call it reality TV. How can it be 2. when there are TV 3. everywhere? People don't 4. in the same way when there are cameras around. I think it's the very worst type of 5. show. It's all about 6. and me, me, me. The people who appear in reality TV 7. have no talent. There is nothing you can learn from these shows. TV companies must be really short of ideas, or 8. . I can't think of a bigger waste of 9. than looking at a group of people in a room together, and seeing how they get on or don't get on. I'm amazed they are so 10. . Perhaps I'm missing something. If you know what the attraction is, tell me.
