Hello boys and girls!
Thank you for your pictures. We love your dream parks. Here are our favourites.

Pirate Park

In my park there is a pond. We can see a pirate ship in the pond. There is a big sandpit. It is near the pond. We can play in the sandpit with our buckets and spades. We can find pirate treasure in the sandpit. Here is a picture of me in Pirate Park. Look at my pirate hat! It is big and black.

Princess Park

My park is colourful. There is a pink bouncy castle with a slide. We can go down the slide into a ball pit. My park has lots of flowers. They smell nice. They are purple, red and yellow. There are butterflies on the flowers. This is me on a bench in Princess Park. Do you like my long, pink dress?
