She'll lie and steal and cheat

And beg you ..... her knees

Make you ..... she means it this time

She'll tear a hole in you, the one you ..... repair

But I still love her, I don't ..... care

When we were.....

Oh-oh, we did enough

When it got .....

Ooh-ooh, we bundled up

I can't be told

Ah-ah it can't be .....

It's better to .....pain, than nothing at all

The opposite of love's indifference

So ..... attention now

I'm ..... on your porch screaming out

And I won't leave until you..... downstairs

So keep your .....up, keep your love

And I don't blame you, dear

For running ..... you did all these years

I would do the....., you best believe

And the highway signs say we're close

But I don't read those ..... anymore

I never .....my own eyes
