

Holmes Ah, Mr Moran. I'm glad you're here. I wanted to talk to you. I want to find the diamond.

Moran I don't know where it is.

Holmes Yes, you do, and you are going to tell me.

Moran I won't tell you.

Holmes Perhaps Mr Merton will tell me. Billy, please go and get Mr Merton in.

Billy Yes, sir.

Billy Here is Mr Merton, sir.

Merton What's the matter?

Holmes I know you stole the Crown Diamond, and I know how you stole it. I've written about it all in this book. The only thing is, I can't write about where the diamond is now, because I haven't found it yet.

Moran You will never know.

Holmes Oh, I think I will. Anyway, my friend Watson has just gone to the police. The police are coming now. You can't hide here. I will find you in my house.

Moran What are we going to do?

Merton I don't know.

Moran The diamond is here, in my house. Take it and run to the country.

Holmes Thank you. I'll take that.

Holmes Ah, that will be the police. Just in time.
