Unit 4 TB page 61 37

Interviewer Today, we're talking about how we can all help the Tim Harris is in the with us to tell us about how he helps the . Tim and his family live in an Do you like your house, Tim?

Tim I love it. It's a really . My friends love it, too. They always want to

Interviewer That's great. Now, do you wood to your house?

Tim Yes, we do. My and I to get wood every morning. Our house is in a , so there is a lot of wood near us. But we never cut wood from . We find wood on the and take it home.

Interviewer That's good. Where does your come from?

Tim It from a near our house.

Interviewer I see. Do you go to the every day, too?

Tim No! The water comes from the spring to our house. We rain water, too. We use to water the plants in the and to the house.

Interviewer Really? That's . Now, Tim, can you tell us about ...
