CHỌN CÁC BƯỚC THỰC HIỆN YÊU CẦU

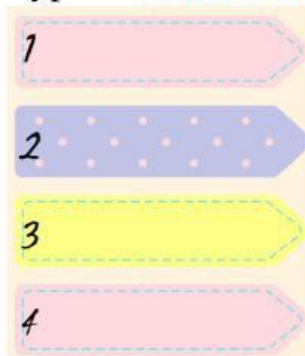

1. **Insert a header** with the built in header type: **Banded** that will not be displayed on the **first page**.

2. **Add** a document **property Title**: “Greenfield”

3. **Insert a page number** of the type of **Accent Bar 4** at the **bottom** of each page.

4. Adjust the **zoom** setting for the document with Zoom: **Multiple Pages: 1 x 2** pages

5. **Create a macro**: Macro Name: A1; Font: Arial, Font size: 14; Alignment: Justify

5. **Run A1** macro to change selected all text in document.
