

THE LONG AND WINDING ROAD

The long and winding that leads to your door
Will never , I've seen that road before
It always me here
Lead me to your

The wild and windy that the rain washed away
Has left a of tears, crying for the day
Why leave me here?
Let me know the

Many times I've been ,
and many times I've
Anyway, you'll know
the ways I've tried

And still they lead me to the long and winding road
You me standing here a long, long time ago
Don't me waiting here
 me to your door

But they lead me back to the long and winding road
You left me standing here a long, long time
Don't me waiting here
Lead me to your door
Lead me to your door
