

Board Game New year's resolutions

SPIELREGELN

Für 2 bis 4 Spieler (mit 2 Würfeln)

- Der jüngste Spieler beginnt, danach geht's im Uhrzeigersinn weiter.

- Jeder Spieler würfelt und geht die Augenzahl der Würfel – und zählt dabei auf Englisch (one, two, three...).

- Die Anweisungen auf den Feldern werden entweder gleich gemacht – oder während der nächsten Lage...

- Wer zuerst Feld 63 erreicht, hat gewonnen. Man muss genau auf dem Feld landen – oder so viele Felder zurückgehen, wie man zu viel gewürfelt hat.
