

Zadanie 9. (0–4)

Przeczytaj wypowiedzi osób dotyczące angielskich szkół (A–C) oraz zdania 9.1.–9.4. Do każdego zdania dopasuj właściwy opis. Wpisz rozwiązania do tabeli.

Uwaga! Jeden z opisów pasuje do dwóch zdań.

A.	I'd like to study at a boarding school. Of course, this is the choice of a mature youngster, not my parents, and that is why I think it would be the best option for me. I am not a child who has a problem with adapting to a system because of the absence of parents, siblings, pets and toys, or for whom a lack of close relationships can be a problem.
B.	It's my ambition to continue my education at a really good state school which does not charge anything. At first, I thought about a boarding school which is quite far from our town, but then it turned out that there is also a specialist school that I could attend in the city near where we live. I'm just afraid that I won't be able to afford any extracurricular activities, but they are not obligatory.
C.	I've always dreamed of being a student at an independent English school. It's not that I think that state schools are bad, but I would like to feel the atmosphere of such places. I received a scholarship for my results at school, so it's me not my parents who will pay for me to attend the private school I choose. And I'm not the first – it has become a family tradition.

9.1.	The author of the text will have to pay for his school himself.	
9.2.	The author of the text shows both sides of attending such a school.	
9.3.	This student will live close to home.	
9.4.	There's no need to pay for the school described in this text.

Hi Jenny,

I'm really sorry that your lovely dog isn't with us any more. Adam has just told me about his horrible illness and that you are looking for another pet. I think you might be interested in an advert written by my relatives. It was published in the latest "Animal lover" magazine and I took a picture of it for you. As far as I know, the puppies haven't found a home yet and if you'd like to, I can organise a meeting for you to see them and negotiate the price. Just let me know if you want to go.

Alice

P.S. I enclose a picture of the ad from "Animal lover"
