

## THE GOLDEN TRIO

I would like to talk about the Golden Trio, from J. K. Rowling's "Harry Potter", a series of

seven fantasy \_\_\_\_\_ . I think "Harry Potter" is about

Three bestfriends: \_\_\_\_\_

\_\_\_\_\_

and \_\_\_\_\_

\_\_\_\_\_ , go through lots of \_\_\_\_\_

and succed in

**2**

overcoming them, because they help each other. There are \_\_\_\_\_ things that impress me. First, they are only 12 years old when they meet, but they all know what friendship means. Second, they make a great team, even if they are different. I think that their friendship shows the meaning of the proverb: „A friend in need, is a friend indeed.”. I cannot

choose a favorite character, because I \_\_\_\_\_ ❤ them all equally. I like Harry

for his \_\_\_\_\_ , Hermione for her \_\_\_\_\_

and Ron for his sense of \_\_\_\_\_

. They

never get \_\_\_\_\_ together. I think that they show us how to be a good friend and how to work together so we can realize all our goals.
