

Aimee: So Todd, tell me about yourself. What do you do?

Todd: I am a teacher. I live in Japan, and I work at university. I teach English.

Aimee: Nice. When do you start your day?

Todd: I get up very early, at about six, and I go to work at seven. I have my first class at half past seven.

Aimee: Where do you live?

Todd: I live in a small house.

Aimee: What do you do after work?

Todd: I go to the gym or I play sports, and I clean my house on at the weekends.

Aimee: Do you cook?

Todd: No, I don't. I have dinner outside every evening.

Aimee: Do you have a car?

Todd: Yes, I do. I like my car, but it is slow. I am sometimes late for work 😓
