

You will hear three different extracts. For questions 1 – 6, choose the answer (A, B or C) which fits best according to what you hear. There are two questions for each extract. You will hear the extracts twice.

Extract 1

You will hear a woman describing her personality.

- 1 The woman says that
 - A her attitude to her personality has changed.
 - B people have changed the way they see her.
 - C her personality has changed.
- 2 She believes that extroverts
 - A are more valued by society than introverts.
 - B have more strengths than introverts.
 - C should behave more like introverts.

Extract 2

You will hear an interview with a sociologist about crowd behaviour.

- 3 The Contagion theory suggests that
 - A individuals cannot resist the emotions of a crowd.
 - B like-minded people form crowds.
 - C individuals cannot be held responsible for their behaviour.

- 4 The Convergence effect supports the idea that
 - A crowds change what individuals believe.
 - B crowds attract people with similar beliefs.
 - C individuals lose their identity in crowds.

Extract 3

You will hear a woman talking about the qualities employers look for.

- 5 The woman's advice applies to
 - A candidates at a job interview.
 - B people who work in a particular job.
 - C people working in a temporary position.
- 6 The woman emphasises the importance of
 - A certain behaviour and character traits.
 - B avoiding failure if at all possible.
 - C conforming in order to fit in.
