Change Hugo's face for the film.

Hugo Top is really famous because he's a film star. The name of his seventh film is *What's that noise?* Hugo is making it now. In this film, his body and face look very different. Hugo is an alien!

Before filming, Hugo puts on his orange alien suit and then sits down in front of a big mirror. Then Alice starts changing his face. First, she paints it green. Then someone paints black lines on his face and changes the colour of his eyes.

A third person, called Matt, adds a moustache and beard to Hugo's face and a fourth person changes his short, straight blonde hair to long, curly purple hair!

Then Hugo can start filming. 'Your face looks really ugly and scary now!' everyone says. Hugo looks in the mirror again and laughs. 'Well, I think I look really cool!' he says, 'Thank you!'
